Re: Proposed Williams Addition No. 2,
"Revised" to the City of Pomona

Dear Sir:

At the meeting held on May 14, 1958, the County Boundary Commission reviewed the boundary description and map submitted by Charles R. Stapleton, Planning Director of the City of Pomona, with his letter of May 5, 1958, of the proposed annexation of territory to the City of Pomona.

This is a revision of the proposed "Williams Addition No. 2" as approved by the Commission on November 27, 1957. This proposed annexation overlaps the proposed "Annexation District No. 5" to the City of La Verne, as approved by the Commission on November 27, 1957.

Upon recommendation of the County Engineer, slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
